Directions from DC:

Out of Washington, take 50 and 301 East past Annapolis and over the Bay Bridge. The bridge is about 20 minutes from the Beltway.

Stay on 301 North and in about 40 minutes, near Mile Marker 116, turn left at the caution light onto MD 313. Go through the Galena red light and look for a Post Light on the curb about 17 houses on the left. Turn into the wide, white gravel drive. The post sign is marked: c. 1880. If you past the Catholic Church, turn around, we are next to the cemetery.
